

## ABDOMINAL ULTRASOUND: INCREASING DIAGNOSTIC CONFIDENCE

**Manchester**  
**Saturday 1st October 2022**

### Science and Industry Museum, Manchester

Liverpool Road, Manchester, M3 4FP  
Date: Saturday 1st October 2022  
Times: 09:30 - 15:15

#### The study day includes lunch and refreshments

Places are strictly limited. Please register your place on the Medical Imaging Academy website.

### About the course

The objective of this study day is to deliver an informative and educational programme for general abdominal Sonographers and Radiologists. The aim is to raise awareness of both the acute and chronic abdomen, incorporate Canon's comprehensive liver quantification package and address the current Sonography climate and what we can do to help safeguard our workforce and plan for our future.

Please note this event will take place subject to Government guidance: this may mean that the event is postponed at short notice.

### Agenda

- 09:30 **Registration and refreshments**
