

ANTENATAL ULTRASOUND – INCREASING DIAGNOSTIC CONFIDENCE

Birmingham
Saturday 11th November 2023

ThinkTank Science Museum

Millennium Point, Curzon Street, Birmingham, B4 7XG

Date: Saturday 11th November 2023

Times: 09:30 - 15:15

The study day includes lunch and refreshments

Places are strictly limited. Please register your place on the Medical Imaging Academy website.

About the course

Canon Medical Systems is pleased to present an informative and educational programme to obstetric ultrasound practitioners at any stage in their career. The aim is to look at recent developments from NHS England (impending Saving Babies Lives III) and Tiny Tickers, whilst considering the clinical expectations and processes required of sonographers.

Agenda

- 09:30 **Registration and refreshments**
- 10:00 **Introduction and welcome**
