on the Medical Imaging Education website, see below.

### About the course

Canon Medical Systems is committed to offering first class educational opportunities across the UK. This event continues our series of meetings aimed at expanding access to free education in Northern Ireland for the sonography community. We aim to deliver a programme that is both informative and educational, with speakers covering a range of topics such as, the conundrums of lumps and bumps and transvaginal ultrasound, that reflect current areas of interest in daily clinical practice.

### Agenda

- 10:00 **Registration and refreshments**
- 10:30 **Welcome**
- 10:45 **The Conundrums of Lumps and Bumps**  
Catherine Kirkpatrick, Clinical Lead Consultant Sonographer,  
United Lincolnshire Hospitals NHS Trust
- 11:45 **Break**
- 11:55 **Transvaginal Ultrasound - Unlocking the  
Mystery of Gynaecological Pathology**  
Dr Anne Marie Coady, Consultant Radiologist, Fetal Medicine,  
Coombe Hospital, Dublin
- 12:55 **Closing remarks**
